NEMA House Plot 17/19/21 Jinja Road,
P. O. Box, 22255, Kampala, Uganda

Date: 8th November 2024

PUBLIC NOTICE

The National Environment Management Authority (NEMA) hereby informs the general public that effective 1st December 2024, all applications relating to ENVIRONMENT AUDITS, PERMITS, LICENSES AND DEGRADATION INCIDENT REPORTING shall only be made through the online ELMIS system.

In order to ensure timely service delivery, NEMA developed a web-based Environment Licensing and Management Information System (ELMIS). The electronic system enables the public to access our services online, supports system integration with other Lead Agencies, fast tracks review, provides real time information to management for decision making, and improves the ease of doing business in Uganda.

The services that have been migrated onto the online system include;

1. Terms of Reference, Project Briefs and Environment and Social Impact Assessment (ESIA) Certificate Applications, Extension, Cancellation, Transfer and Surrender.
2. Terms of Reference and Environment Audit Applications
3. Licenses for Waste Transportation, Storage, Treatment and Disposal
4. Lakeshores & Riverbank Permit, Air Pollution and Noise Emission Permit Applications
5. Online Environment Degradation Incident Reporting and Complaint submissions

Hard copy and Email applications relating to the above services shall not be received or processed effective 1st December 2024.

ELMIS is accessible through the link <https://eservices.nema.go.ug> The user guide / manual can be downloaded from the home page of the system.

Ensuring Sustainable Development
